Bobby Abendroth Esq.

Harrison, N.Y.

Dear Bobby:

Your letter of the 18th came this morning and you are now a full fledged Associate Member of our Society. Under separate cover we are sending you the monographs which have been issued this year.

The price of the membership medal is dependent upon the cost of engraving the name of the member desiring it. The charge is so much per letter, -four cents I think. Will you therefore let me know whether you desire to have your medal engraved "Bobby Abendroth", or "Robert Abendroth", or with your initials only? I think the bronze medals are four dollars each, and the silver ones about ten dollars, with the additional charge for engraving. I am making inquiries which will enable me to give you the exact cost, and as soon as you will let me know how you wish to have your name appear, I can tell you what the cost will be.

We usually recommend bronze medals, as being preferable to silver, because they do not tarnish so easily.

Our building is still in sad disorder, but we hope that another six weeks will see an end to our misery.

Very cordially yours,

Secretary.

My dear mother.

Mother is sending you a check for \$5.00
for my membership medal. I want a bronze
one, engraved Robert W. Alendroter

If the medal costs more than the check
I will send you the rest of the money,
and if there is any money left, send me
the change in old U.S. money or foreign
coins if it isn't too much trouble

Yesterday I hurt my thumb
playing foot-ball, so I can't write at all.
I hope the museum will soon be open
because I like it.

Dear Bobby:

Your letter of the 24th, enclosing a check for five dollars, has been received. I am sorry you had a football accident, and I too am hoping that our Museum will soon be open again.

It will take a week or ten days to have your membership medal engraved and sent to you, and if the expense is greater than the amount of your check, I will let you know.

Yours very truly,

Secretary.

Dear Mr. Noe,

I am sending five Dollars
for my dues. I have
only received four numismatic
notes, and should receive
five.

Dear Robert:

Thank you for your annual dues of five dollars.

If you will look at the back cover of the last Monograph, No. 41, you will see that only three other Monographs were issued this year, counting No.38, although it is dated 1928. It was not completed till the beginning of 1929. Therefore your four is correct.

Yours very truly,

Secretary.
